CLASSICAL

The question is:

Where are you and where are you going?

I've already said that I love many books,

but I was never a poet.

I like poetry,

like writing,

but I just love poetry,

and I just love reading.

MODERN

MODERN

Why I am a Human Observer?
I am a Christian Scientist,
Philosophic, and a Dogmatic
Humanist.

I believe there is a difference
between good and evil,
a difference between God and a
narcissist,
a difference between real and
fake.

INTERESTING

INTERESTING

I have a different future,

The next time I'm awake,

It'll be the day before I die,

And I won't be singing anymore.

WINTER

WINTER

That's why you're right out in the cold.

You're cold because you slept on a blizzard.

So winter is not your first lesson on snow.

Then again,
snow is not your first lesson on snow.

CITY

CITY

I'll always call out "town",
like my blue-bellied cat on the
corner,
of City Road and May Road.
That's the sense,
of awakening from the black
emptiness of The Deep Waste.
That morning.
